MEMORANDUM FOR : The Honorable William P. Clark
Assistant to the President
for National Security Affairs

SUBJECT : Your Request for Intelligence Support for
the President's Trip to East Asia

Your memorandum of 6 October requests that the Intelligence Community prepare analytical studies in support of the President's trip and provide them to the White House by 17 October. Our Japan, Korea and East Asia analysts have started to work and should have a substantial package prepared by your deadline. Given the President's reaction to the materials prepared for his Mexican trip, we will use that as a guide.
